Dear Parents/Guardians:

In the Charter for the Protection of Children and Young People, Article 12 calls for all dioceses to establish “safe environment” programs at all grade levels. This ongoing education is presented to the students in the parish and regional elementary schools of the Archdiocese, as well as the Parish Religious Education Program (PREP or CCD). This is a mandated obligation from the Archdiocese with lesson plans provided for our catechists. The lessons are available for you to review by visiting www.catholicschools-phl.org and clicking on Safe Environment.

Our Safe Environment presentation will be on Monday, March 8, 2021.

Please complete and return this entire form only if you will not do the lesson at home on March 8th. One form must be completed for each child. Please email me with this form to Marylsmparishoffice@gmail.net
