

To the Teacher: Use this activity with Chapter 3 to give students the opportunity to explore the meaning of the domestic Church. Additional materials are required to complete this activity.

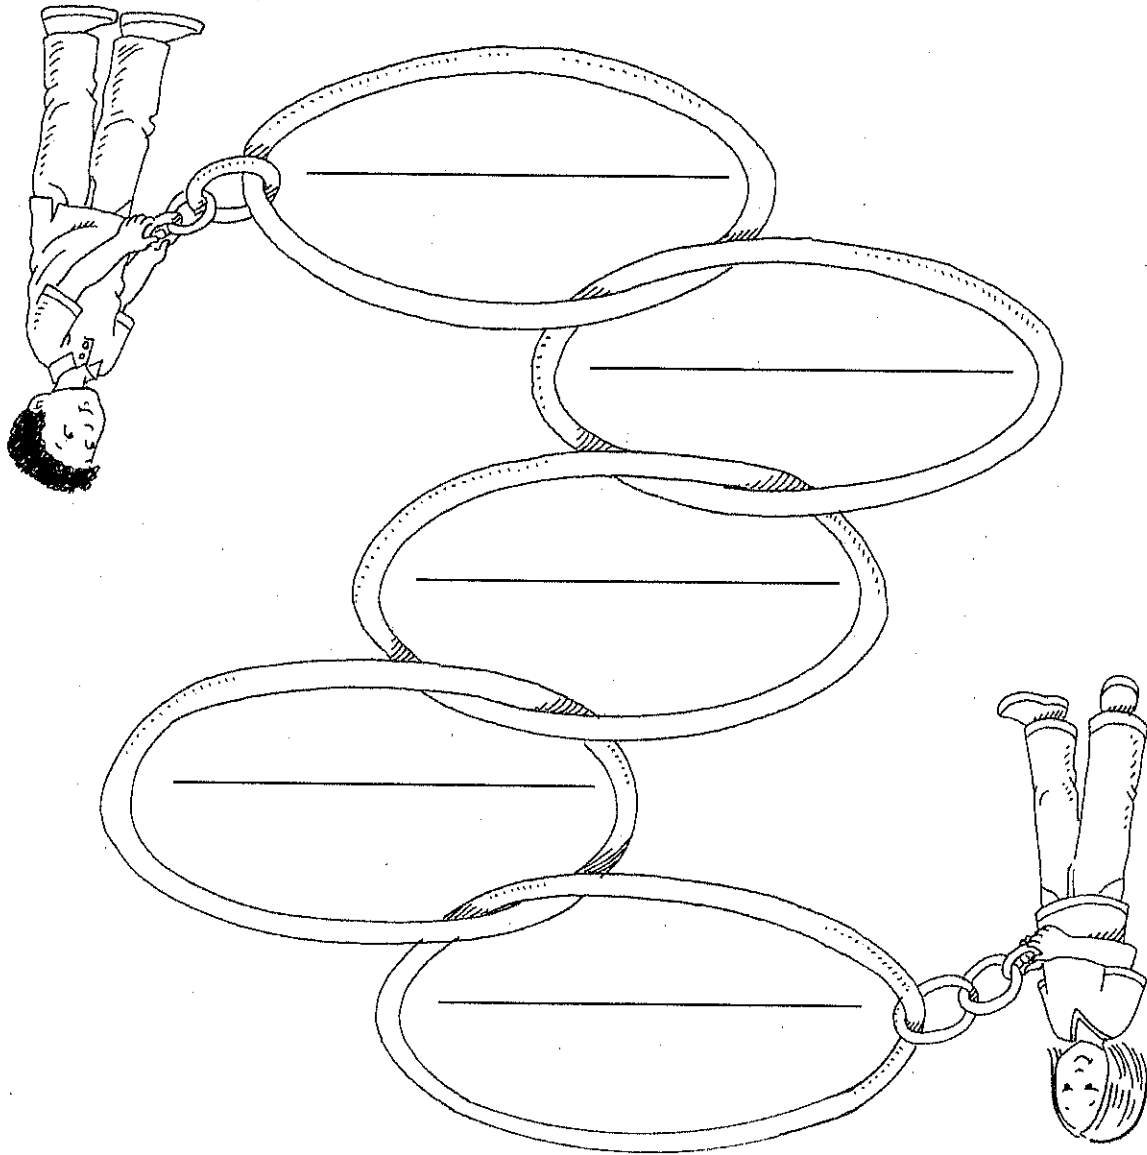

Cut out a large piece of paper in a shape you like. You might choose a star, butterfly, heart, or some other shape. Write words on small pieces of paper that tell what your family does together. Decorate the small pieces of paper and glue them onto the shape you made. Unscramble the words in the word bank below. Choose from those words and your own words to tell about your family. Ask family members to add their words, too. Hang your symbol in a special place in your home.
